

Kingswood Mission

Kingswood Academy is an independent school serving grades PreK-3 through 8.

The central mission of Kingswood is:

- to aid parents in fulfilling their role as the primary educators of their children
- to develop the moral, spiritual and intellectual formation of the children
- to provide an environment of academic excellence, good character formation and respect for the dignity of each person
- to assist parents to cultivate human virtues and develop a strong moral character in their children

Our goal is that Kingswood students become *competent and responsible* men and women who live by Christian principles. We adhere to the teaching of the Catholic Church and emphasize the philosophy of the laity.
