## Student Code of Conduct and Honor Code

Dear Kingswood Student,

Welcome to Kingswood Academy!

School plays an important role in preparing you to lead successful and happy lives. This student handbook will prepare you to be a successful student. This handbook explains and clarifies your responsibilities as a student.

At Kingswood you will find yourself constantly encouraged to live out virtues everyday. That is because we know growth in virtue leads God's children to develop self-discipline – the ability to govern one's attitude and actions and to accept responsibility for one's behavior. Self-discipline is the key to a truly successful, truly happy life. Always keep in mind that growing in virtue is a Kingswood student's most important achievement.

Being a responsible person of good character will come through your goal setting, your hard work, your participation in school activities, and your follow-up on good resolutions and plans. We believe in you, and will be encouraging and helping you every step of the way!

### Kingswood Academy Honor Code

- 1. I will show integrity and practice self-discipline.**
- 2. I will obey the rules of the school and the classroom.**
- 3. I will respect others and their property.**
- 4. I will give my best effort in everything I do.**
- 5. I will strive to grow in virtues.**

### Kingswood Academy Character Program

We encourage you to live the virtues. In essence, virtues can be acquired through a student's goal planning, hard work, participation, follow-through, and God's grace. Each month, you will learn the definition of the school-wide virtue. Your teacher will explain other virtues similar to the school-wide virtue. Your teacher will also teach you ways to practice the virtues that you learn. It is important for you to understand that one should not perform any virtuous action because you expect a reward.

*“Thus, when you give alms, sound no trumpet before you, as the hypocrites do in the synagogues, and in the streets, that they may be praised by men. Truly, I say to you they have received their reward. But when you give alms, do not let your left hand know what your right hand is doing, so that your alms may be in secret; and your Father who sees in secret will reward you.”*

*-Matthew 6:2-4*

All of your good actions should be performed to please and honor God. Let this be your motivation –  
*“Lord I am doing this out of love for You.”*

3. Do not return to your classroom.

## Kingswood Academy Uniform Philosophy and Policy

**All students attending Kingswood Academy are required to follow the dress code which ensures a neat, clean appearance and appropriate, modest dress for young Christians. As Christians, we emphasize that all students are made in the image of God and, as such, we require all students to exhibit a natural appearance including hair color, etc. Uniforms are a positive part of our environment, and every school day is, in general, a uniform day.**

**Philosophy:** St. John Paul II left us with a beautiful work, entitled *Theology of the Body*. In this he stated, “body, in fact, and only the body, is capable of making visible what is invisible: the spiritual and the divine.” Thus, at Kingswood Academy, we aim to reflect this ideal in our uniform policy.

Our purpose in establishing a uniform policy is threefold:

1. The school uniform helps distinguish our students.
2. The school uniform reflects our unity of purpose.
3. The school uniform reflects our equality before the Lord, reminding us that we work as members of the Body of Christ, rather than for our own glory.

Coincidentally, a uniform policy produces many advantages, both moral and spiritual:

- A uniform policy encourages modesty, neatness, and humility, not drawing attention to the individual (**1 Timothy 2:9-10**).
- A uniform policy recognizes the distinct differences between male and female students (**Deuteronomy 22:5**).
- A uniform policy cultivates an atmosphere of order. Thus, the classroom becomes peaceful, polite, and focused. One’s appearance is frequently an indicator of one’s attitude towards doing well.
- A uniform policy removes temptations to judge others based on external things, to become too focused on fashion trends, or to be covetous of the clothing of classmates (**Matthew 6:25**).
- A uniform policy is cost-efficient. Our uniforms are of excellent quality and reasonably priced, so many parents find uniforms to be more cost-effective than maintaining wardrobes of “street clothes” for their children.

We hope that our students will learn to wear their uniforms with joy, while cherishing what they represent to the student body, as well as the community at large.

**Policy Enforcement:** Our uniform policy is intended to remind students that they have come to school for work. Students should dress in a way to demonstrate respect for the sacredness of school. Students should be neat, clean, and modest. Students will be expected to present themselves in a way that reflects their great dignity. The uniform must be clean, pressed and neat, fit properly, not worn out, faded, torn, or stained. No holes. Teachers and staff have the authority to enforce the uniform policy throughout the school. The Principal has the final say on questions regarding the uniform policy.

### **Non-Compliance and Violation of Uniform Code**

As a Diocesan Catholic School, Kingswood Academy is required to maintain adherence to a uniform code. Students not in compliance will be asked to call home for appropriate clothing and are subject to the related consequences:

1. Any violation of this rule will result in a conversation with the Principal and/ Assistant Principal as well as an email indicating the infractions will be sent to the parent.
2. When a student accumulates 3 infractions in the first quarter, a detention will be issued as described in the above section. **Reminder:** Three detentions within a quarter result in a suspension
3. For quarters 2, 3, and 4, students will receive 1 infraction notice before a detention is issued.
4. Multiple detentions may result in the loss of participation for the student in school dress down or spirit days.

Students not in uniform will receive a violation notice. This includes but is not limited to:

- Uniforms that are worn-out, torn, ill-fitting or dirty uniforms.
- Wearing nail polish, make-up or inappropriate skirt-length. Rolling of skirts is unacceptable.
- Missing a belt. (Exception of first grade boys who are wearing pants with elastic.)
- White socks or socks not outlined in the uniform policy above.
- Boys missing a tie, on required days, will result in a violation notice from their teachers and will rent a tie from the office which must be returned at the end of the day. **Tie rental is \$1.00.** If the tie is not returned by the end of the day it was rented then an additional **replacement charge of \$10.50 will occur.**
  - On Mass days, boys in grades 1st -8th wear Oxford Shirts and Navy-Blue Ties.
  - Jr. High Boys must have a tie Tuesday, Thursday and Friday.

**The administration reserves the right to rule on all questions relating to the areas of dress and grooming not covered by code until such time as this code may be amended or revised.**

### **Out of Uniform Days**

On out of uniform days, students are encouraged to dress for success. No jeans, sweatpants, or gym shoes will be allowed unless specifically stated. Clothes should be modest and in good taste.

- No flip flops, sleeveless tops or sleeveless dresses, no mid-line shirts or skirts/shorts above the knee, no leggings or skin tight pants/jeans. No nail polish or make-up. If a student arrives on an out of uniform day in inappropriate attire the student will be required to wait in the front office for their parent to come back to the school with the appropriate clothing.
- Students who fail to follow these guidelines will not be allowed to participate in the next out-of-uniform day. Painting or spray-painting of hair is not allowed.

### **Spirit Days**

On our Spirit Days, students are allowed to wear the following: 1) Any top from the Spirit Store and 2) PE uniform shorts or sweatpants (according to uniform policy).

### **Midterms and Final Exams**

All 7th/8th grade students are required to wear dress uniforms on all exam days.

### **Field Trips**

When students are on field trips, they are representing Kingswood Academy; therefore, students are required to be in their dress uniforms (unless permission is given in advance by the administration).

### **Discipline Policy**

Kingswood students make the effort to conduct themselves with honor at all times. When they fail to do so, they should honestly admit their fault and make amends for what they have done.

### **Non-compliance to classroom rules/policies**

When a student fails in his responsibilities, there is a consequence. The purpose of the consequence is two-fold:

- (1) It reminds the student that his actions offend God.
- (2) It serves to help prevent or deter the student from offending God and/or others in the future.

Kingswood's focus on building virtue means that teachers also will address compliance issues that pop up during the course of the day. Examples might be: lack of punctuality, speaking out in class, running inside the building, missing one's homework, eating in the classroom, and being in an area without supervision.

For these non-compliance issues, an immediate consequence that fits the misbehavior will be given. We know that by taking care of the little things, we build virtue and discourage larger problems. All consequences should take place at the school and notification to the parent is not required. Possible consequences include missing recess or one of the following:

- For disorder—clean the class or desks, etc.
- For missing homework—spend lunch period with a junior high teacher to complete homework. Any assignment not completed at lunch will have to be done for homework that night and handed in the next day.
  - After five blue slips the student will receive a Mandatory Stay and be required to stay after school to work.
- For speaking out or being out of uniform—write a paragraph about the importance of respect, etc.
- For being in an area without supervision—clean up duty.

**Kingswood students conduct themselves with honor at all times.**

We do not discriminate on the basis of race, color, disability, national and ethnic origin in the administration of our educational policies, financial assistance programs and other school administered programs.*

### **Tardy**

Your education begins when the bell rings in the morning. For that reason, it is vital that you be on time. It is also disruptive to the whole class when anyone arrives late. Students who are not in their desks by roll call at 8:30 A.M. will be marked tardy. After five tardies, you will be required to stay after school for one hour. On your report card, three tardies give you a check in punctuality and five tardies give you a minus.

When changing classes, any student who arrives late in the classroom, without a good reason (ex, talking with a teacher) will make up the time during recess.

### **Lost and Found**

Articles left on the playground or elsewhere than your classroom will go in a lost and found box in the office. If not claimed, things left in the classroom will also be put in the lost and found box. Articles left at the end of the semester or school year may be given away or discarded. PUT YOUR NAME IN ALL OF YOUR COATS, SWEATERS, SWEATSHIRTS, ETC.

### **School Office Procedures**

The office is a place of work for the school personnel and is not a place for students. During school hours or after school, students may come to the office with the teacher's permission (and the office pass). If your parents are planning to pick you up at school for an appointment or other reason, you are to remain in your classroom until your parents arrive. The office personnel will call your classroom when they arrive. No one should be in the office without an office pass.

### **Closing Remarks**

The staff at Kingswood Academy will do the very best they can to provide you with a wholesome environment where you can strive for academic excellence and grow in human virtues. However, we rely on you as students to set the good example for your peers. We have no doubt that together we will be able to meet this goal.

**I have read the Kingswood code of conduct and agree to strive to live virtue and abide by the guidelines and procedures of the school.**
